Why: to measure student engagement, increase student involvement & sense of belonging at school

About the OurSCHOOL Student Survey:

- Allows students to share their feedback **anonymously** on their experiences at school, school environment, and school improvement programs.
- Based on their feedback, students have the opportunity to be involved in action plans fostering increased student engagement
- Participation in the survey is **voluntary**, however, all students are encouraged to participate.
- The time required to complete the survey may vary, but it is designed to be completed in approximately 35-40 minutes.

Survey measures include such topics as behaviours and attitudes linked to student success, emotional and social well-being and physical health. For more information about the OurSCHOOL Student Survey, please visit The Learning Bar's website: www.thelearningbar.com.
