Traffic Change at McLeod... More Information

WL McLeod is the hub for all elementary school students who take the bus. This document is to inform our parents and parents from other schools that drop-off and pick-up at McLeod is changing along Damon Square.

Please read through this brochure with your child, family, and anyone else who may drop-off or pick-up your child from McLeod School. Everyone needs to understand the new rules so that your child can get to and from school safely, and there are no vehicle incidences due to this change.

If you have any issues with this change, please contact the District of Vanderhoof at 250-567-4711.

What is changing?

Some big changes! Please read through this carefully.

- **No left turn (right turn only) out of Damon Square onto Victoria Street between 8:00-9:00 am and 2:30-4:00 pm Monday-Friday.** When leaving Damon Square busses and pedestrians have the right-of-way.
- Angle parking on Damon Square now in the other direction. This area continues to be for vehicle angle drop-off/pick-up parking only.

Staff Parking Lot

The parking lot is for staff and visitor parking only. DO NOT drop-off your child in the parking lot, and pedestrians are not permitted - use the sidewalk. Remember, there is a designated Entrance and Exit to the staff parking lot.

Use Sidewalks and Crosswalks

Sidewalks are a safe place for children to walk to and from school, and crosswalks are the only place where children should cross a road or intersection. Please use sidewalks and crosswalks. There is a sidewalk on Victoria Street at Bute Avenue that leads to the main gate entrance to McLeod School and bus zone, and there are crosswalks across Victoria Street and Damon Square. **The is a pedestrian controlled crosswalk at Douglas Street across Burrard Avenue.**
